

NPU Student Ambassador - Activity Form

Dear Student Ambassador,

Alongside the workshop quizzes, this activity form gives you a chance to share your activities with us, whether they are ideas, planned activities, ongoing activities or have already taken place - we'd love to hear from you!

This form will be **open throughout the year** and can be completed **as many times as you like**. Towards the end of the programme, you will also be asked to complete an end of year form as the final opportunity to share with us further information about activities and projects before the programme finishes.

If you have any questions, then please feel free to email Hollie (NPU Project Assistant) at: hollie.thompson@biology.ox.ac.uk
